Dmytro Ruzhytskyi

Full-Stack Web Developer

I am motivated and development oriented person with experience in Frontend and Backend development. I am keen on writing clean and mutable code for building my applications. My experience ranges from pure HTML, CSS, JavaScript development to React framework and basic Node.js development. I get on well with people at all levels, can easily make good working relationships.

Projects

1. Restaurant menu app [Vue.js]
   https://restaurant-dishes.netlify.app/
